Why I care

Grzegorz

Dear all, this year our team is involved in raising money for charity in Poland. We'll be supporting **St. Christopher's Oncological Hospice Foundation in Warsaw**.

The Hospice's mission is to help its patients spend the rest of their life pain free and in dignity. Through my life experiences, I believe that this is important and a much needed contribution to society and the local community. Along with my colleagues - Andrzej, Agnieszka, Krishna and Victoria, we are contributing to this by taking part in the Walk Your Way – Step Challenge - Credit Suisse charity initiative. Please support us, tell your friends and keep your fingers crossed.

Thank you all
