

This Project consist in supporting the Swiss Fondation Solyna to save little Cambodian girls from human traffic. The situation is critical and therefore we need to act saving and educating little and young girls in Cambodia who have been badly raped and tortured sometimes since their very early age!

## Why I care

Maryse

Dear Colleagues and Dear Friends,

I am a member of the board of the swiss foundation Solyna who is fighting against human traffic of little girls in Cambodia. The reason why I am so much engaged is being a mother of a 19-year old boy I am very sensitive to this cause.

Your donation is very important to support the little girls who are living in our NGO house in Pnhom Phen.

I personally visited the center with my son and I can tell you that the girls are fantastic and full of hope and live. They have a lots of dreams and projects for their future lives. They want to become a doctor, a nurse or a teacher !

Thanks you so much being part of this grateful cause.

Maryse Gabbay
